2. Typography & Typeface System

The platform uses two core font families to pair forceful display headlines with clean readability:

Display Family: Anton & MarkPro-Black	Heavy, uppercase display sans-serif used for campaign headlines, big numeric statistics, hero titles, and main callouts.
Body Family: Plus Jakarta Sans	Modern geometric sans-serif (Weights 300 to 800) used for long-form body copy, form inputs, buttons, navigation, and captions.

Role	Font Family	Weight / Style	Size / Leading	Sample Render / Usage
Hero Headline	Anton / MarkPro	900 Display	3.2rem - 6.5rem	BECAUSE EVERY WOMAN'S LIFE IS STILL BEING WRITTEN
Section Title	Anton / MarkPro	900 Uppercase	2.4rem - 4.0rem	SIGN THE PETITION FOR REFORM
Stat Callout	Anton	900 Display	3.0rem - 4.4rem	610,000 WOMEN
Section Subtitle	Plus Jakarta Sans	400 Regular	1.05rem / 1.75	Stand with healthcare workers, policymakers, and citizens demanding legal clarity.
Body Copy	Plus Jakarta Sans	400 / 500	0.95rem / 1.65	Completing the legal framework keeps women safe inside regulated healthcare systems.
Primary CTA	Plus Jakarta Sans	800 ExtraBold	0.85rem (Upper)	SIGN THE PETITION NOW →
Category Badge	Plus Jakarta Sans	800 ExtraBold	0.72rem (Upper)	HEALTHCARE WORKERS
